

STC Middle School Newsletter

October 2014

From the Principal's Office

As we are winding down the 1st quarter, this is a great time to bring you up to speed on a few happenings at STC Middle School.

Homecoming Week:

We had a successful Homecoming week! Many students spent time preparing and building the float. A big thank you to parents, Mandy Lekin and Jackie Ellenbecker, for really spearheading the float building. Also thanks to Mrs. Bugge and Mrs. Walton for helping as well. The Marching Band sounded amazing at the parade and our school neighborhood enjoyed hearing the fight song and cadence as Mr. Zinnel led the Trojans in practicing marching. Students dressed up throughout the week and the STC spirit was in full force on Friday. We had a blast at the pep rally demonstrating our school and community spirit!

Parent Teacher Conferences

Parent Teacher Conferences are on November 4th and 6th from 3-8 pm. We will be scheduling 5th grade conferences, so 5th grade parents, expect contact from the Middle School Office about your scheduled time. 6th, 7th, and 8th grade conferences are an open door conference. We encourage you to come to visit your child's teachers. 6th grade conferences will be held in the Library, all 6th grade core teachers will be stationed at a table for you to visit with. 7th and 8th grade teachers will be in their classrooms available for a conference. You can pick up 7th and 8th grade report cards inside the main entrance to the building (West entrance). 6th grade report cards can be picked up in the Library. We encourage continuous communication regarding your child's progress. If at anytime you have questions or concerns about your child's progress, please contact the teacher or main office.

Activities

The fall activities seasons are winding down. It's hard to believe we are nearing the end of the football, volleyball, and cross country seasons. Our teams have competed well and done our community and school proud. With moving to the WaMaC conference, our winter season is now split. Girls basketball and Wrestling will end before Winter break and Boys Basketball will begin after Winter break. Girls basketball begins practice on Oct. 13th and Wrestling practice begins on Oct. 27th basketball practice will begin on Jan. 5. Please make sure your student has a current physical on file in the main office to be able to participate in winter sports. It is also required that all student-athletes have a signed code of conduct form, parent permission form, and a signed concussion form before they can begin practice. Please contact the Middle School office if you have any questions.
